Reference: Extension of Comment Period for the Notice of Intent to Prepare an
Environmental Assessment for the Phoenix Metroplex Project

This notification letter is to inform you that the Federal Aviation Administration (FAA) has extended the comment period related to the Notice of Intent to Prepare an Environmental Assessment (EA) for the Phoenix Metroplex Project to May 15, 2015.

The Notice of Intent is distributed to federal agencies, tribes, state agencies and local officials to advise of the opportunity to inform the FAA of any issues, concerns, policies or regulations regarding the environmental analysis that will be undertaken in the EA. The FAA is currently working on additional details related to this project, and will be coordinating with the appropriate agencies, tribes and local officials in the near future. Part of this coordination process will include informational briefings with the appropriate agencies, tribes, and local officials.

If you desire to provide comments, please provide them by letter or email through Friday, May 15, 2015, at the following address:
