

**Solicitation Number: 2021-013-IFB    Addendum Number: 1**

**Baggage Belt Loader**

**Due Date and Time: September 21, 2020 at 2:59 pm Arizona time**

***A signed copy of this addendum must be included with proposal***

The following questions were received in writing prior to the deadline:

**Q1** - I just wanted to confirm that a cab is NOT required as per specification number 6: **Cab/Chassis** – painted white (under attachment C, minimum specifications). It is rare that a belt loader operator would want a closed cab on the unit, but I just wanted to confirm a closed cab is not required and this is just a mention for color of units chassis and body.

**A1** - A closed cab is **not** required.

ALL OTHER PROVISIONS OF THE SOLICITATION SHALL REMAIN IN THEIR ENTIRETY.

Offeror hereby acknowledges receipt and understanding of above addendum.
